

Technical description

**EFAS – Thermal Paper – Ref.: 841499901EF0 (Box of 3 rolls)
841499905EF0 (Single rolls)**

intellic Thermal Paper

intellic Thermal Paper packed in a practical box containing 3 rolls, is specific premium quality thermal paper for the use in digital tachographs.

intellic Thermal Paper – Premium Quality Thermal Paper

Your benefits at a glance:

- The information is always readable, even the stored pieces of paper
- High consistency against heat, oil, light, water, fat, cleaning supplies etc.
- Universally applicable – for the use in all homologated digital tachographs
- Each roll is shrink-wrapped in PE-foil for his protection
- The paper is marked with a red line at 0,6 m before the end of the roll
- Thermal paper according Annex 1B, EG regulation 1360/ 2002

Approved for digital tachographs:

EFKON	EFAS	e1 200
ACTIA	SmarTach STD	e2 25
	SmarTach STD II	e2 29
	SmarTach ADR	e2 30
Siemens VDO AG	DTCO 1381	e1 84
Stoneridge Electronics AB	SE 5000	e5 0002

Dimensions:

Length: 8 m
Outer diameter: 28,0 mm
Width 57,5 mm
